Canaseraga Central School District

September 2011

Dear Students, Parents, and Community Members:

Welcome to the 2011-2012 school year. On behalf of everyone affiliated with Canaseraga Central, I hope your family enjoyed a wonderful summer. We're very excited to greet our students back to Canaseraga Central and are looking forward to a very positive school year. As you know, we are working on the 'finishing touches' of our capital project, and are very pleased with the improvements made to our campus in the areas of instructional opportunities, energy efficiency, ADA compliance, safety, and technology.

Although the economic conditions continue to put tremendous strains on the state and our district, please know that, as always, each person associated with Canaseraga Central is dedicated to providing a positive educational experience. We have much to celebrate in our District, as we continue the progress we've made in raising standards of student achievement.

On a personal note, I am very grateful for the leadership of our Board of Education, the efforts of outstanding faculty and staff, and the continued support of our families and community. As always, I welcome your input, and invite you to share any compliments or concerns regarding any aspect of our District.

Sincerely,

Marie Blum
Superintendent

From the Principal's Desk:

At the end of each summer I feel the anticipation of hearing footsteps in the hallways, the excited talk of students about what they did over the summer, and the smiles on the faculty and staff's faces as they welcome students back into school. It is a beautiful reminder of what a wonderful community we have and the importance of what we do for children.

I can't say enough to thank the flexibility, knowledge, and vigilance of our maintenance staff as the capital project has unfolded throughout the summer. They have been the eyes and ears of the building and an indispensable resource in helping make sure that we are ready for students on opening day! Thank you!

I am pleased to announce that we have made several program changes and are continuing to expand opportunities for students. The biggest adjustment will affect students in grades 7-12. Taking into account the New York State mandates of Response to Intervention and Academic Intervention Services, along with our own Board of Education Policies regarding academic eligibility, we have created a new class period within the school day. During this period, students will receive academic support, enrichment, and time for class and club meetings as not to interfere with regularly scheduled academic courses. This will be a new experience for our faculty, staff, and students and will be refined as we find out the best processes that benefit our students.

I would like to extend an invitation for all community, parents, faculty, staff, and students to serve on our Shared Decision Making Committee. For this school year we will be developing suggestions to the Board of Education regarding Anti-bullying programs and policy in response to New York State's required implementation of the "Dignity for All Students Act". If you are interested in serving on this committee, or have any questions regarding it, please contact the Main Office at (607) 545-6421 ext. 105 and confirm that you would like to be a member. ***The first meeting of the Shared Decision Making Committee will be Thursday, September 22nd at 3:30pm in the conference room.***

Thank you in advance for your continued support of the school! I would like to share the following quote as a reminder to the importance of our efforts, hard work, and dedication to our students:

"Excellence is an art won by training and habituation. We do not act rightly because we have virtue or excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a HABIT." -Aristotle

We need to continually challenge ourselves to be excellent. Make it a habit!

Sincerely,

James E. Anderson, Principal

NOTICE TO PARENTS OF RIGHT TO RECEIVE INFORMATION REGARDING PROFESSIONAL QUALIFICATIONS OF TEACHERS

Dear Parent:

As the parent of a student attending the Canaseraga Central School, you have the right to receive, upon request to the District, certain information as authorized by federal law regarding the professional qualifications of your child's classroom teachers. Upon the District's receipt of your request, we will provide you, in a timely manner, the information listed below.

You have the right to request the following information about each of your child's classroom teachers:

- 1) Whether the teacher has met New York State Education Department qualifications and licensing criteria for the grade levels and subject areas he/she teaches.
- 2) Whether the teacher is teaching under emergency or other provisional status through which New York State Education Department qualifications or licensing criteria have been waived due to special circumstances.
- 3) The teacher's college major (undergraduate level); whether the teacher has any graduate certifications or degrees and, if so, the field of discipline of the certification or degree.
- 4) Whether your child is provided services by any teaching assistants and, if so, their qualifications.

If you wish to receive this information, please contact Mrs. Skillman, Secretary to the Superintendent, at 545-6421, Ext. 100.

VISITORS

Adult visitors, especially parents of our students, are welcome at Canaseraga Central School. Please use the Main (front) entrance doors facing the road. For total student welfare, **we do require all visitors to register at the Main Office – please do not go directly to a classroom.** You will be given a visitor's badge that will identify you as an official visitor; please return it to the office when you leave the building. Rather than just 'stopping by' to talk with a teacher while school is in session, we ask that parents make an appointment in advance to see a teacher or the principal. In order to maintain an optimal learning environment and to lessen the potential for distractions, we do not allow students from other districts to visit during the school day.

Welcome to The First Day of School Wednesday, September 7, 2011

The building will open daily at **7:45 a.m.** at which time breakfast will begin being served. Students should **NOT ARRIVE ANY EARLIER** than this time.

Asbestos Notification

Each year it is the responsibility of Canaseraga Central School to notify its staff, students and community members that there is an asbestos management plan on file in the District Office. This plan identifies those and addresses the action that the district has taken or plans to take in containing, abating or maintaining these identified areas. This plan is available for public inspection during normal business hours.

The school district has complied with all federal and state regulations and there is no immediate hazard to the health of any student or staff member.

Free & Reduced Price Lunch Program

Applications for Free and Reduced Lunches are enclosed in this CCS Chronicle. All applications should be filled out and returned to school as soon thereafter as possible. Should you need assistance in completing the forms, please contact the Business Office at 545-6421, ext. 101.

Attention Seniors!!

Seniors should have or should be arranging to have their senior photos done. The deadline to submit senior information is **October 28, 2011!**

If you have any questions please see Mrs. Briggs in room 110 or email kbriggs@ccsdny.org.

Preschool Special Education Services

Education Law requires that all school districts have a committee to identify preschool children with disabilities. If you have a three or four year old child who you feel may have a disability, please call 545-6421, ext. 116 and we will help you arrange to have your child evaluated at no cost to you. If the results of the evaluation indicate that your child has a disability, then our committee will work with you to determine the services required to address your child's needs.

COMPUTER ACCEPTABLE USAGE POLICY

The Canaseraga Central School District declares unethical and unacceptable behavior as just cause for taking disciplinary action, revoking information network access privileges, and/or initiating legal action for any activity through which an individual uses the information networks for illegal, inappropriate, or obscene behavior, or in support of such activities. Illegal activities shall be defined as those that violate local, state and/or federal laws. Inappropriate use shall be defined as a violation of the intended use of the networks, and/or purpose and goal. Obscene activities shall be defined as a violation of generally accepted social standards for use of a publicly owned and operated communication vehicle. By continuing the logon process you are acknowledging the Canaseraga Central School Acceptable Use Policy and agree to adhere to it. Please sign and return the Student AUP that has been sent home with your student today. For your convenience, we only need one per family.

Nurse's Corner

Absences

There are instances of illness, injury or other legal factors that justify absence from school, but regular school attendance is required and we urge you to insist that your child attend school regularly.

In addition to the important instruction that is missed when a student is absent, our State Aid is directly impacted by student attendance.

When a student has been absent he or she MUST bring a written excuse from the parent upon returning to school.

Education law specifies the reason for which students can legally be absent from school. This means that some absences are illegal even though a written excuse is provided.

Medications

All medications at school must have a written order from your healthcare provider and parent consent on file at school. Please stop into the health office to pick up a form for your child to receive medication in school. Medications MUST be delivered by a parent or guardian to the health office. Medications must be in original prescription bottle. Over the counter medications must be in original containers.

Health Screenings

Health screenings will be conducted throughout the school year. Vision, hearing, and scoliosis checks will be performed on designated grade levels. Parents/Guardians will be notified of any abnormal findings via letter.

Head Checks

Head checks will be done on all school students the first week of school. **ANY CHILD WITH NITS OR HEAD LICE WILL BE SENT HOME.** If you believe your child has contracted head lice, don't panic. Many children contract head lice each year due to close contact with each other.

ANYONE can contract head lice.

Please examine your child's head for lice or nits and treat if necessary. Nits are tiny oval specks that are firmly attached to the hair shaft. Medicated shampoo can be purchased at most any drug store (your doctor or pharmacist can help you). Read the directions very carefully and ask your pharmacist with any questions you may have. There is not any medication that is 100% effective. If a nit is not killed by the shampoo and the nit hatches, the whole process will begin again. Because of this, you must remove all nits before the child can be in school.

Canaseraga Central School has a "No Nit" policy and students will be sent home if they are not "Nit Free", or if head lice is found.

Please be sure to check your child's hair to be sure there are not nits or lice before school begins.

Student Emergency Information Sheets

Your child will be receiving an Emergency Information Sheet on the first day of school. It is necessary to completely fill out all sections of this paper, especially the section on Medical Alerts/Allergies. When filling out this important information, please list contacts, including cell phone numbers that will be available during the school day. This information is necessary in the event your child needs to be picked up at school in case of sickness or other emergency.

Health Appraisals, Immunizations, and Dental Certificates

New York State Education Department requires a physical exam for new entrants; students in grades PK or K, 2, 4, 7, and 10, and annually for sports and working permits. Please notify the health office if you are having trouble getting your child a physical, I may be able to help.

Acceptable Immunization records include: Records signed or stamped by your health care provider or health department, or NYSIIS records.

Dental Certificates are encouraged by New York State but are optional.

Physical exam and immunization records can be dropped off in the health office, mailed, or faxed to (607) 545-6265.

Attention Grades K- 6

Fluoride permission slips will be sent home with your children the first few weeks of school. Please sign and return these promptly so that fluoride administration can begin.

Sports Physicals

Please remember that sports physicals are required annually and players will be asked to fill out a new health history (Green Sheets) with each sport.

PUBLIC NOTIFICATION

Notice is hereby given that the annual inspection (completed 5/24/11) of the Canaseraga Central School building for fire hazards, which might endanger the lives of students, teachers and employees therein, has been completed and the report thereof is available in the Office of the Superintendent for inspection by all interested persons.

Invitation for All Parents and Community Members to Serve on Canaseraga's Shared Decision Making Committee

This school year we will be developing suggestions to the Board of Education regarding Anti-bullying programs and policy in response to New York State's required implementation of the "Dignity for All Students Act". If you are interested in serving on this committee, or have any questions regarding it, please contact the Main Office at (607) 545-6421 ext. 105 and confirm that you would like to be a member. *The first meeting of the Shared Decision Making Committee will be Thursday, September 22nd at 3:30pm in the conference room.*

Notification of Pesticides

New York State Education Law, Section 409-H, effective July 1,2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relations, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Canaseraga Central School District is required to maintain a list of persons in parental relations, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are **not** subject to prior notification requirements:

- a school remains unoccupied for a continuous 72-hours following an application;
- anti-microbial products;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children; boric acid and disodium octaborate tetrahydrate;
- the application of EPA designed biopesticides;
- the application of EPA designated exempt materials under 40CFR152.25;
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spider, bees, wasps and hornets.

In the event of an emergency necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. If you would like to receive 48-hour notification, please complete the form below and return to:

Dear Superintendent:

I am the parent (or guardian) of _____, who attends the Canaseraga School in the _____ grade(s). It is my understanding that, a state law has required every school to maintain a list of parents who wish to receive advance notice of pesticide applications at the school their child attends. Each time pesticides are scheduled to be applied at the school, parents on the list must be provided with a written notice at least 48-hours in advance specifying the specific date and location of the application, the name and EPA registration number of the product being applied, the name and number of a person at the school who can be contacted to discuss the precautions being taken to protect children from exposure, and telephone numbers of information services that can provide specific information about the pesticides being applied.

Please consider this my formal request to be placed on the list to receive those notices and information. If the notices are to be mailed, please mail them to me at the following address:

I can be reached by telephone at the following numbers:

No Child Left Behind Act

The Federal No Child Left Behind Act (NCLB) requires local school districts that receive Title 1 funding to make a report card to the community as to academic progress. While this has already been done, one requirement of the new legislation remains: we must inform the public in plain language if any of our schools have been identified as being “in need of improvement” or are currently so identified. The answer is “no” on both counts. Canaseraga has been identified as a ‘school in good standing’ for 2010-2011.

Release of certain student information under the No Child Left Behind Act

Pursuant to the No Child Left Behind Act, Canaseraga School District must disclose to military recruiters and institutions of higher learning, upon request, the names, addresses and telephone numbers of high school students. The district must also notify parents of their right and the right of their child to request that the district not release such information without prior written parental consent.

Parents wishing to exercise their option to withhold their consent to the release of the above information to military recruiters and institutions of higher learning must sign and return the form below to the Building Principal by September 30, 2011.

Reservation of consent for the release of certain student information under the No Child Left Behind Act

Please do not release the name, address and telephone number of

STUDENT CODE OF CONDUCT

It is of utmost importance that every student and parent becomes familiar with this document.

Under the requirement of the Project SAVE law, school districts must adopt a Code of Conduct for the maintenance of public order on school property, including school functions. The Code governs the conduct of students, teachers, and other school personnel, as well as visitors.

Canaseraga Central School’s document is modeled after the sample code of conduct developed collaboratively by the New York State School Board Association, the New York State Council of School Superintendents, and the School Administrators Association of New York State.

Information to be found in the District’s Code of Conduct includes areas dealing with student rights and responsibilities, prohibited student conduct, disciplinary procedures, and minimum periods of suspension.

The SAVE Law and Commissioner’s Regulations require the Board of Education to ensure community awareness of the Code of Conduct. All students will receive a copy of the complete Code of Conduct from the Main Office. Pre-K - 2nd grade students will receive a copy of the Code of Conduct on the first day of school. 3rd - 12th grade students will receive it in the Student Agendas. Community members may obtain a copy by contacting the Main Office.

Student Dress Code

All students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. Students and their parents have the primary responsibility for acceptable student dress and appearance. Teachers and all other district personnel should exemplify and reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting. A student’s dress, grooming and appearance, including hair style/color, jewelry, make-up and nails, shall:

1. Be safe, appropriate and not disrupt or interfere with the educational process.
2. Recognize that extremely brief garments such as tube tops, net tops, halter tops, spaghetti straps, plunging necklines (front and/or back) and see-through garments are not appropriate.
3. Ensure that underwear is completely covered with outer clothing.
4. Include footwear at all times. Footwear that is a safety hazard will not be allowed.
5. Not include the wearing of hats in school except for a medical or religious purpose.
6. Not include items that are vulgar, obscene, libelous or denigrate others on account of race, color, religion, creed, national origin, gender, sexual orientation or disability.
7. Not promote and/or endorse the use of alcohol, tobacco or illegal drugs and/or encourage other illegal or violent activities.

Transportation Policy

1. Your child will be picked up at the same bus stop every morning. In the afternoon, your child will be dropped off at the same stop.
2. Your child will not be allowed to be dropped off at multiple addresses in the afternoon – in the event your child needs to be transported to a location other than the established afternoon stop, you will be responsible for making arrangements to have your child transported from the regular afternoon stop to the desired location.
3. In the event of a true emergency, a written request from the student's legal guardian will be required. Information must include the following:
 - Full name of the parent/guardian
 - Full name of the child
 - Bus number
 - Full name, address, and telephone number of the adult who will be picking up or receiving the student at the bus drop-off.
4. All written notes must be submitted to the main office before 11:00 am. If an emergency arises after that time, the legal guardian must call the main office with the above information before 1:00 pm.
5. As established by Board Policy, pick-up and drop-off points will occur at established bus stops only.
6. If your child is not going to ride the bus, but will either walk home or will be picked up by another adult, a note will still be required, and must be submitted prior to 11:00 am.

Danger: Children on Board

Those Big Yellow Machines are coming! Buses, Buses, Buses! They seem to be on every road; every morning... especially if we are in a hurry. But safety is the rule and extra caution should be used when approaching one. This is especially true in our parking area of the school. ALL drivers are to avoid the "back area" of our parking lot at **ALL TIMES** in order to keep this area safe for our children.

Over the last several years, the New York State Senate has worked to pass laws that provide extra protection for school children. Recent laws have tightened the qualification procedures for school bus drivers and have greatly increased the penalties for passing a stopped school bus. You should slow down when you see a school bus with flashing yellow lights. ***You are required, by law, to stop when the red lights on a school bus are flashing, even if the bus is on the opposite side of a divided highway.*** If the school bus driver waves you on, it is safe to proceed. You should stop, when going in the opposite direction, at least 20 feet from a school bus to allow children to cross the road safely in front of you. Some motorists may not be aware that under the Vehicle and Traffic Law, it is illegal for any motorist proceeding in the opposite direction on a divided highway (a divided highway being a highway with separate roadways for traffic in opposite directions) to pass a stopped bus with flashing lights.

If you break this law, the penalties could be costly and you could land in jail. The first conviction for passing a stopped school bus carries a possible fine of between \$150 and \$250, a possible jail sentence of up to 30 days or both a fine and imprisonment. For a second conviction within 18 months, the penalties increase to a fine between \$350 and \$500, a jail sentence of up to 30 days or both a fine and imprisonment. It also should be remembered that if you are convicted of passing a stopped school bus, it would be a moving traffic violation that would add points to your license, could increase your insurance costs and even could endanger your driving privileges.

There are many good reasons for stopping when a school bus is flashing its red lights - stiff fines, possible jail sentences and others. But the best reason is that you could be jeopardizing the life of a child if you don't come to a stop.

HANDICAPPED PARKING SPACES AND FIRE LANE

Handicapped parking spaces are available in the back of the school near the new gymnasium doors. Please note the Fire Lane near the bus garage. Only use these areas as designated and please refrain from using this area between the hours of 6:30 am and 3:30 pm.

Student Parking

Due to limited space available for student parking, permission will be granted on a first come, first serve basis. Seniors will be given preference, followed by Juniors. Students requesting on campus parking must complete a form obtained from the main office. The Building Principal's approval is required before permission is granted.

Dear Canaseraga Parents & Students,

Welcome back to the 21st Century After School Program (All for Fun and Fun for All!) at Canaseraga Central school! If you did not participate last year or in this summer's Canaseraga Arts Festival, this is the perfect opportunity to enroll. Our records are updated yearly, so please have your child pick up and complete the 21st CCLC Intake Packet even if you did for the 2010-2011 school year.

We had a fantastic Summer Arts Program here throughout the month of July. Participants cooked food from around the world, explored painting, sculpting, photography and wrote incredible dramatic masterpieces. It has been a truly wonderful experience and this school year will be no exception. We are excited to begin this year's after school activities on Monday September 12th. ASAP (beginning September 19th) and Youth in Action will take place from 3:15 to 4:15. Clubs will run from 4:15 to 5:15 and 5:15 to 6:00pm. Students who become ineligible based on academic performance will be required to attend ASAP if they wish to participate in clubs, field trips or presentations. Completed enrollment forms should be returned to me in room 106 or to the ACCORD mail box located in the main office.

In this edition of the chronicle, you will find a calendar of September's clubs, activities, and field trips. Please contact me with any questions, or if your child would like to enroll. Clubs change monthly and are limited to the first 15 students who sign up. We are looking forward to an exciting afterschool year!

Sincerely,

Katherine Hendrickson
