

# Canaseraga Online Learning Etiquette

## Be on time for your Zoom class.

We want to see you as much as possible and we don't want you to miss any opportunities to learn.

## Wear clothes you would wear to school.

Even though you are at home, you are still in class during Zoom lessons. Appropriate clothing is required.

## Be prepared.

Have all of your materials ready before class starts.

## Choose a good location to work.

Find a quiet spot where you will not be interrupted and can stay focused.

## Mute yourself unless you are speaking or asking a question so everyone can hear each other.

## Check Google Classroom regularly for assignments and to read feedback from your teacher.

## Stay on-task and maintain eye contact.

Stay on-task and help others focus by saving snacks, time with pets, and/or playing with other things for after class. Keep your camera on so everyone can see you.

## Complete your work by the due date.

Send your work to your teacher on time so you can get feedback to help you learn and grow.

## If you don't understand something, ask your teacher.

Your teachers are here to help you.
