Phone Blast Information from March 16, 2020

School Closure for Tuesday

Due to the rapidly changing environment around COVID-19, school will be CLOSED for Tuesday, March 17.

No students will be attending any programs in the CCS building nor any other placements outside our school building.

School Meal Delivery

During the emergency declaration of student dismissal, the school district will be offering school meals for our students. We hope this will assist families with one aspect of the time students are not attending school.

Meal deliveries will begin on Monday, March 23.

Each breakfast and lunch will be pre-packaged meals that meet the federal guidelines for school meals. These meals will be similar to what students receive during our summer CARE program.

Each day students will receive a lunch and breakfast for the following day.

Delivery will range between 10:45am and 11:00am. Exact times will be determined and influenced by house location and the total number of requests we receive.

If you are interested in your students receiving school lunch meals, you will need to notify the district.

If your students last name begins with the letter A thru G, please call the school main office at extension 105.

If your students last name begins with the letter H thru Z, please call the district office at extension 100.

Calls should be made this week and done between the hours of 8:00am and 12:00pm.

Each person under the age of 18 living in the household will be eligible to receive meals. For example, a 3 year old in the household is eligible to receive meals.

Academic packets

Teachers have prepared academic packets for students. These will be distributed along with school meal deliveries. If students are not receiving meals, an alternate drop-off will be arranged.

Personal belongings

If students have personal belongings that need to be picked-up, please contact the main office at extension 105 to arrange a day and time to get those items.
