

PARENT MEETING!

As you likely have heard, the Governor officially gave permission to school districts in NYS to open for instruction in September. Along with that announcement, the Governor also mandated the following.

Between August 7 and August 21, 2020, every school district and/or school is required to host at least three public meetings with parents, community members and stakeholders to address and discuss potential concerns and/or outstanding questions regarding school reopening plans. Meetings can be held in an online and/or telephone town hall format. Participants must be given multiple options to ask questions, and provided on-going opportunity for the submission of community questions in addition to these forums.

The following Zoom meetings with Mr. Groff have been scheduled to review the Returning to Instruction Plan and give parents a chance to ask questions. The Zoom links will be posted on the school website on the Returning to Instruction page.

Monday, August 17, 6:00pm

Wednesday, August 19, 6:00pm

Thursday, August 20, 10:00am

Please be sure to review the Returning to Instruction Plan prior to attending one of the Zoom meetings. The chat function will be active during the Zoom meetings if parents want to ask questions.

If you would like to send questions via email, those can be sent to the following email address. The email will be active after 12:00pm, August 14.
