Dear Parents/Guardians:

I am pleased to share that we will be offering our students in grades Kindergarten – 12 extra academic support this school year. A snack will also be provided. Unfortunately with other driving obligations, we are unable to offer transportation home. Village students in grades 5 and up are able to sign out a younger sibling and walk them home. The start date for these programs is September 20<sup>th</sup>, 2021. If you are interested in having your child/children attend the After School Program or the After School Assistance Program, please fill out the space below and return it to school with your student.

**After School Program – Monday through Friday:** Students are provided homework help, guided games/activities, and a snack

Grades Kindergarten – 4<sup>th</sup>. Students will be dismissed at 4:45 pm for pick up.

**After School Assistance Program – Monday through Thursday:** Students are provided homework/academic help, and a snack.
