

Welcome To 5th Grade!

Dear Students and Families:

6/23/22

My name is Mrs. Livingston and I will be your 5th grade Teacher 😊. I look forward to a fun, exciting year with you all. As we learn many new things together, I expect students to have a positive classroom experience.

We will be reading every day and students are welcome to bring a school appropriate book from home if they choose. It is recommended that students read 20-30 minutes each day over the summer. I also encourage you to practice multiplication and division facts several times a week. Keeping up with fact fluency will be a great benefit to developing math concepts in 5th grade.

Meet the Teacher Night will take place on **Wednesday, August 31, 2022** from 5-6pm. You are welcome to drop off any supplies when you come in that evening.
